

CHRYS CHABERT

Having graduated from ETS in software engineering, Chrys Chabert has been working in the software developing field for now more than eight years. Over the course of his career, he has worked for notable companies such as CGI and Ericsson. Seeking new challenges, our office joker does not go unnoticed with his statute ever since he joined the ranks of Worximity in the month March. As a software engineer, he navigates through codes and APIs to perfect our offering.
