Course Selection Form

Family Name: **First Name:**

Study Session: FALL WINTER SUMMER

If you are applying for 2 or 3 study sessions, you must attach one Course Selection Form per session.

Path and Tentative Schedule

To apply for the FALL session, you must choose from the official course list available as of **February 19, 2024**. Indicate your course selections, making sure you follow the [exchange program regulations](#), in particular the [courses not available to exchange students](#). Refer to the [Courses Schedule and Planning](#) to submit a proposed study plan with a conflict-free schedule.

For a WINTER or SUMMER session application, you can select courses from the [Courses planning document](#) published five sessions in advance: Engineering and Graduate Levels. Please note that the final detailed schedule is published two to three months before the start of courses. Scheduling conflicts may make it necessary for you to revise your registration after admission.

COURSE (e.g. MEC636)	GROUP (e.g. 01)	DAY (C, TP and LAB)	TIME (C, TP and LAB)

I hereby confirm that

- I have adequate French competency to complete university level engineering courses and assignments or I will take the necessary steps to reach the required level for my exchange.
- I have read the exchange program rules: [Prepare your Course Selection Form.](#)
- I have included a minimum of 12 credits and a maximum of 16 credits from ÉTS.
- I am aware of the list of [courses not available to exchange students](#), and I have not included any of these courses in my study plan.
- I have not included any Master's courses (800 series) OR I am a master student OR in my final engineering training year and I have included a maximum of 2 Master's courses.
- I have read the course descriptions and syllabus for each of the requested courses and confirm that I have the prerequisites.
- I understand that some courses may be full at the time of my registration, and that I may be asked to propose a new study plan if needed.
- I understand that once my final registration has been completed by my host department at ÉTS in accordance with my study plan, any subsequent changes cannot be guaranteed.

Course Registration

The coordinator of your department at ÉTS will register you for the courses on this form one or two weeks before the registration period for the academic session ([ÉTS academic calendar](#)) and will confirm the registration by email. If you are planning to do two session at ÉTS (program 4023), it is important to confirm your choice of courses to your coordinator by email for the 2nd session only.

Student Signature:

Date:

Home Institution: "We approve the student's proposed path to graduation at our institution (by transfer credits and/or recognition of equivalencies), and certify that the student has completed or will complete the prerequisites for each course before starting studies at ÉTS. We certify that the student has been informed of the validation conditions for their exchange program at ÉTS."
